ENTERPRISE BRIEF INTRODUCTION

企业简介

Since 1993, XIAMEN YEYANG has been in the natural stone industry from its origin of producing granite tiles. Together with the development for 20 years under the support from our clients and our effort, We have been standing in the market as one integrated industrial & trading stone group with 3 own factories equipped with modern machines from Italy, Spain.

To provide an system solution of stones for buildings, XIAMEN YEYANG are involved into quarry extraction, block import and process, export of Granite & marble tiles, slabs, countertops, cut to size. We have our team frequently visit oversea quarries to select the best materials, process by our own facilities with normative production and inspection management to guarantee the quality; and our independent inspection team makes every order to be followed at each step, this strict program results in quality products that are welcomed in export markets such as North America, Europe, East-South Asia and widely to Mid-east & Africa with about 800 containers export every year.

As a group, YEYANG not only have own 3 factories, but also have many cooperating factories from our relatives and other cooperators, this can be quick replied to our clients' any requirements on natural and artificial stones. Our own factories play their own roles well -One big factory is specialized in the production of granite big slabs and cut to size, countertop with 4 gang saws; and the other one is specially for quartz countertops and vanity tops that are mostly for export markets; The latest new factory in NanTong city near Shanghai is established in 2014 processing marble, limestone, travertine, granite cut to size.

With these strong supports, we have the sufficient cash flow to invest more quarries in China and also contract quarries abroad. Moreover, the family alliance results in our faster development with more professional elites joining us and more orders from our clients. We have been involved into several large projects in China by domestic and foreign stones, our export team have developing deeply into segment markets(especially in USA) not only in the distribution of the slabs, countertops, but also in the projects from all over the world.

With the policy of win-win business and long term cooperation, XIAMEN YEYANG sincerely welcome new potential clients to contact us, we will be not only a part of your supply chain, but also provide you friendly service with happy time. We do believe You will satisfy us from the beginning to the end!.

PROCESSING FACILITIES

工厂·设备

石材除了外观美丽,能彰显身份地位意外,还是有其他的优点的,石材的耐高温性非常好,对于厨房这个温度相对较高的环境而言,对它不会产生任何的影响。

IN ADDITION TO THE APPEARANCE OF BEAUTY, STONE CAN IDENTIFY STATUS ACCIDENT. THERE ARE OTHER ADVANTAGES, FOR EXAMPLE, THE RESISTANCE TO HIGH TEMPERATURE IS PRETTY GOOD. IT WILL NOT HAVE ANY IMPACT FOR THE KITCHEN AT HIGH TEMPERATURE ENVIROMENT.
